ACA – Austrian Airlines pilots
c/o Andreas Strobl, President of ACA Via email: andreas.strobl@aca.or.at

Dear Austrian Airlines Pilots:

I am writing on behalf of the 800 Swedish ALPA members who stand with the 100,000 pilots of IFALPA. Together we also stand unwaveringly behind the Austrian Airlines pilots represented by ACA.

We understand that due to lack of dialogue, respecting the current Collective Labor Agreement and not listening to the legitimate labor and salary requests that ACA needs to respond to the situation with this action.

As a result of the above, ACA requests, through IFALPA, the following Mutual Assistance:

- **Ban on Wet Leasing (Para. 2.4.1)**
- **Freeze in Capacity (Para.2.4.2.2)**
 - For carriers inside Alliance (Para. 2.4.2.3)**
 - For carriers outside Alliance (Para. 2.4.2.3)**
- **Assistance to Pilots Stranded Away from their Home Base (Para. 2.4.5)**
- **Prohibition of Pilot Contracting (Para. 2.4.6)**
- **Submissions and Representations (Para. 2.4.7)**

Please keep us up to date with your progress and any developments. As you fight for a better future and a fair Collective Labor Agreement, it is your unity that is your strength. Please be assured Swedish ALPA will be available to give all necessary support to our colleagues at Bristow Helicopter, and if there is anything Swedish ALPA can do to assist your efforts, do not hesitate to reach out.
